

P-121 Personal Piano

Your Personal Piano: Slim, dynamic and powerful

P-121B Black

P-121WH White

The Yamaha P-121 is the smaller brother of P-125. Equipped with 73 keys, it's even more compact and continues to deliver the same incredible piano performances in a user friendly and minimalistic design.

Easily portable and extremely accessible, the versatility of this instrument allows you to experience the joy of playing the piano on your own terms. It produces the dynamic, high-quality sound and natural piano response expected from Yamaha pianos while maintaining a sleek and slim footprint.

P-121 includes the sound of the renowned Yamaha CFIIS 9' concert grand piano and is faithfully reproduced, allowing for incredible dynamics and expressiveness making Pure CF equipped digital pianos worthy of the Yamaha name. The rich reverberation of a concert grand piano is reproduced perfectly in P-121. In addition P-121 has on-board drum tracks that keep your playing in time. There's a variety of rhythm patterns to choose from depending on the vibe you're going for. Utilising a new 2-way speaker system and the latest acoustic technology, P-121 offers authentic acoustic piano performance unique at this price range.

With the **Smart Pianist** app v2.1 for iOS, you can control many functions of P-121 using your smart device.
