Taster Lessons:

Where it is possible for us to run a taster lesson, this is not necessarily the slot that will be available to you should you choose to enrol

Tutor Absence:

Once enrolled, you have the same slot each week. Save holidays and sickness, you will have the same tutor each week. When your tutor is away another tutor will cover the lesson and the lesson continues as planned.

Missed Lessons:

With a minimum of 48 hours notice, you can rearrange 2 lessons per term.

- Catch up lessons can only be rearranged if there are no lesson fees outstanding.
 - They will be offered on a different day and time than your usual lessons and so can only work if you are flexible.
 - The catch up lesson will most likely be with a different teacher
 - Over time, a maximum of 3 alternatives will be offered for a catch up lesson. If none of these are taken, no further dates will be offered and your original lesson will be forfeited.
 - It is not possible to catch up a missed catch up lesson!
